Explore, Discover or Observe the RNLI

The RNLI is a charity that provides a 24-hour lifesaving service around the UK and Republic of Ireland. Our lifeboat service in the UK receives no Government funding. As a charity, the RNLI relies on your support to carry on saving lives at sea.

The RNLI has over 230 stations around the coast of the UK and Republic of Ireland. These are split into three levels - **Explore**, **Discover** and **Observe**. Our Explore category stations offer you the best opportunities to enjoy the station and lifeboats close at hand, all free of charge. Subject to operational requirements, you can go inside and look around the station.

Our crews from Discover and Observe stations are equally welcoming to visitors as those at Explore stations. However these lifeboat stations were often built before visitors were considered. Discover stations normally open their boathouse doors during the summer months while Observe stations are often in more inaccessible places. Both are situated in stunning locations so you can enjoy exploring the local area.
